Vista funcional de prototipo

Descripción del proceso

Una vez creada una cotización para un usuario asociado a una compañía, se inicia sesión con dicho usuario y se accede al apartado en “Micuenta” nativo Adobe Commerce “My Quotes”, donde se listan las cotizaciones disponibles.

Se incorporaron los siguientes elementos:

1. Filtro por tipo de cotización: se agregó un desplegable que permite filtrar las cotizaciones según su tipo: inmutables o mutables.
2. Columna “Immutable”: se agregó una nueva columna denominada “Immutable”, que permite identificar para cada registro del listado, si la cotización corresponde a una cotización inmutable o mutable.

The screenshot displays the 'My Quotes' interface. On the left, a sidebar menu lists account-related options, with 'My Quotes' highlighted. The main content area is titled 'My Quotes' and includes a link to 'My Quote Templates'. Below this, a filter dropdown is set to 'Show My Quotes Immutable'. A table lists four quotes, with the 'Immutable' column highlighted by a green box. A green arrow points to the filter dropdown. At the bottom, it indicates '4 Item(s)' and a 'Show 20 per page' option.

Quote Name	Created	Created By	Status	Immutable	Last Updated	Quote Template	Quote Total	Action
Cotización 3T	09/22/2026	Veronica Costello	Submitted	Mutable	09/22/2026		\$166.71	View

Show 20 per page

Al seleccionar una cotización marcada como “Immutable” se replica el flujo nativo de Adobe Commerce que se presenta después de ejecutar la acción “Send for Review”, manteniendo la cotización en un estado de solo lectura y evitando modificaciones sobre su información.
